Address:

Bois de la Velle

71120 VIRY

Saône-et-Loire

Tel.: 00 33 (0)385241974

How to get here:

Beware: There are 3 villages called Viry in France. We are, Viry, Dep. 71, Saône-et-Loire.

Le Bois de la Velle is situated approximately 3 kms from the village of Viry near Charolles.

Nearest airport is at Lyon (St Exupéry) 1³/₄ hours. An alternative airport is St Etienne. It is possible to hire cars from both these airports.

The red dot is the destination !!!

We are 8 hours drive from the ferry port of Calais. If you are not in a hurry and have the time an overnight stop on route is a good idea. A bed & breakfast (Chambres d'Hôte) around the Champagne region breaks up the journey nicely.
